

SECURITY & PROTECTIVE SERVICES

The **Threat Management and Protection, Inc. (TMAP)** approach to security is a simple and effectual two-fold approach: ***Do everything you can to prevent a problem before it occurs and have the fastest and most effective response when necessary.***

Over 30 years of experience has given the TMAP team the foresight to protect, the skills to respond, and the mind set to handle each situation with courtesy and correctness—both politically and legally.

TMAP capabilities are designed to exceed your company's expectations and to protect your human, property and intellectual assets. Whether you are opening a new facility, increasing existing security, supplementing in-house capabilities, have HR or employee/former employee issues, or are ready to begin your security program, TMAP can assist you with:

- Access Control Monitoring
- Asset Protection
- Security Officers (Armed or Unarmed Service)
- Foot/Vehicle/Bicycle Patrols
- Executive Protection (Armed or Unarmed Service)

Security Officers and guard services are available as Uniformed, Blazer with emblem, and Plain-clothed, armed or unarmed. Personnel are rigorously trained and fully licensed. TMAP is fully insured and in compliance with state regulations.

WE SERVE YOUR INDUSTRY

TMAP understands and knows the importance of all your company's assets with specialized expertise in these fields:

- Corporate Headquarters and Campuses
- Executive Retreats and Estates
- Logistics/Distribution Centers
- Healthcare Facilities
- Entertainment Industry and High Profile Individuals
- Research and Development Facilities
- Utilities and Petrochemical Plants, Pipelines, and Remote Locations
- Education and Cultural Facilities
- Gaming Casinos and Race Tracks
- Real Estate, High-rise, and Apartment Buildings
- Homeowner Associations
- Special Events

TMAP will carefully assess each client's unique security requirements. We match your specific needs with TMAP's professional staff to achieve the best possible protection of your corporate assets.

Physical Security is a specialty for TMAP. We specialize in analyzing each client's particular needs and delivering the absolute best security services with the most cost-efficient and effective programs. This allows our clients to focus on their business operational needs and plans.

Global Response Team—Crisis situations can take many forms: natural disasters (such as fires, earthquakes, and hurricanes), chemical spills, acts of terrorism or malice directed at a company, agency or individuals including plant closings, work stoppages or slow downs related to labor unrest. We can deploy a full team including tactical security officers, video/digital photographers, evidence technicians, and executive protection agents within hours of your call!

We have developed a portfolio of services designed to address any aspect of your company's security needs. Our services

can be deployed at one site or several, nationally or internationally.

TMAP is here to protect all your company's intellectual, personnel, and property assets for both the short and long-term.

Quick and Efficient Transitions—From the very first day, TMAP is structured to provide easy and dependable service with minimum disruption to your existing security program.

We can customize a security program to match your company's specific requirements including:

- Dedicated On-site Security Manager
- Uniform Selections to Reflect Corporate Culture
- National and International Deployment Capability

Our Security Officers are certified, hand-picked, and, we believe, the finest in the industry. We thoroughly screen and train our personnel to ensure that our officers, supervisors, and managers provide responsive and thorough account service. We offer the ultimate protection of your company's assets. In addition, TMAP stays on the leading edge of technology and risk management issues.

In response to unanticipated events, TMAP provides emergency response services based on experience and a professional approach. The qualities of our service offerings, along with the combination of our planning and close client relationships, afford us the ability to assist you in keeping your business running smoothly and successfully.

Whether you need Security Guard Services today, tomorrow, or as a part of your Incident Management Plan, Threat Management and Protection, Inc. is your best resource.
